Sir:

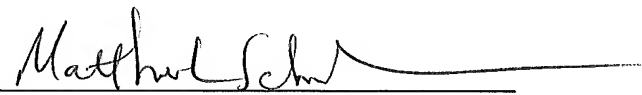

This application was filed as a U.S. national stage application based on an earlier filed international application. This application also claims priority to United Kingdom Application No. 0307345.9 filed on March 29, 2003. The Notice of Acceptance of Application issued on October 5, 2006 acknowledges receipt of a copy of that priority application. However, to date, the Examiner has not acknowledged the claim for priority to the earlier filed UK application and has not acknowledged receipt of the priority document.

The Examiner is kindly asked to acknowledge the claim for priority to the earlier filed UK application and to acknowledge receipt of the priority document.

Respectfully submitted,
